

**Dear Patients and Friends,** Our practice continues to grow and thrive because of your good word about us to your friends, family, neighbors and co-workers. That is why we strive so hard to give you the very best in dental care, in a warm and relaxing, state-of-the-art facility.

**Thank You** To thank you for sending us the people you care about, the next time you send us a new patient for dental services, we will give you a gift certificate according to the number of referrals. Just a little gift of appreciation from us to you.

**How it Works** Each new patient you send to us will receive a \$10 new patient exam including x-rays and gum disease screening. Simply print out the gift certificates, give them to the people you care about, and have them call us to schedule an appointment. On the back of each one, *please write your name* so we know who to thank for the referral.
